Estates Gazette

Regional Features Directory

Unrivalled Regional Coverage

London ■ South East ■ East of England ■ East Midlands ■ West Midlands ■ Yorkshire and Humberside ■ North East ■ North West ■ South West ■ Wales ■ Scotland ■ Ireland

After a phenomenal response from readers and advertisers alike to last years issue, Estates Gazette will again be publishing the Regional Features Directory for 2006.

Estates Gazette's focus writers will have reported on the property markets of every major town and city in the UK throughout 2006.

The Estates Gazette Regional Features Directory will put the best of those features together providing a snapshot of the property market in each of the UK's 11 regions and London.

The directory will be published as a stand alone publication which will be distributed with the 16th December issue of Estates Gazette.

The directory will include statistics and specific regional overviews that will draw on the latest information available, including local rents, deals, uptake and development, plus some of the top regional personalities.

Publishing Date: 16th December 2006

Estates Gazette

Regional Features Directory

A Unique Advertising Opportunity

The Regional Features Directory will provide a comprehensive overview of Estates Gazette's features in 2006.

This unique publication will be the one-stop shop for regional information and used as a valuable reference tool.

Advertising in the directory will be offered to any company that has advertised within a regional feature throughout 2006.

Advertising opportunities are available in and between regional sections as well as a number of limited special positions.
